Tournament Rules

1. Each bowler will the higher of the following averages: (a) current average with 21+ games bowled; or (b) last year's average with 21+ games bowled.
2. Averages must be verifiable. If a bowler's average cannot be verified online, the bowler is responsible to provide a league standing sheet with his or her average.
3. All bowlers without a verifiable average will bowl scratch.
4. The handicap will be 90% of 200.
5. Each bowler who provides a new, unwrapped donation for the **Toys for Tots** drive will receive one mulligan. The donation must be submitted directly to the tournament director; do not place the donation in the box.
6. Mulligan: A mulligan allows a bowler to bowl one frame over. The mulligan can only be used for the most recent frame bowled, and must be called before the next bowler is on the approach.
7. To take your mulligan: inform the next bowler that you are taking your mulligan, and then inform the counter staff. Upon verifying that you have a mulligan available, the counter staff will clear the score for you to rebowl it.
8. The entire frame must be rebowled.
9. You must accept the results of the mulligan.
